

SoCal Odyssey of the Mind California Scholar - Varsity Patch Application

In order to acknowledge OMers who have excelled academically, CA OotM is now offering a scholar Varsity jacket patch. Any high school student participating in California Odyssey of the Mind can apply, but you can only receive one patch during your high school years. Please make sure that you fill out the application completely, and provide all of the required documentation. The patch will be mailed out as soon as the application is approved, and your award will be acknowledged at the state tournament.

In order to qualify for the patch, you must have earned a 3.5 weighted GPA for two or more semesters, and submit one signed and dated letter of support. This letter must be from a high school counselor, high school teacher on district letterhead, or from your Odyssey of the Mind Coach. Your GPA will be verified by submitting a copy of your transcript (can be unofficial). Materials submitted for review will not be returned.

The completed application must be scanned and emailed to Lynn Larsen, SoCal OotM Association Director at: socaldirector@socalodyssey.org

Name: _____ Date: _____

Address (this is where your patch will be sent):

(street)

(city)

(zip)

Phone number/email address: _____
